

Declaration of conformity - CE-marking

Manufacturer: Uponor Infrastructure, SE-513 81 Fristad, Sweden

Product: Waste water treatment plant Uponor Clean 1, product number 330205

Directive: Construction Products Directive 89/106/EEC

Standard: EN 12566-3:2005 Annex ZA

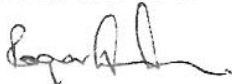

Approved body: Finnish Environment Institute (SYKE), SP Borås Sweden

Performance test completed: September 2008

	
Uponor Infrastructure SE-513 81 Fristad Sweden 09	
EN 12566-3	
Uponor Clean 1	
Nominal organic load	420 g/d
Nominal flow	0,84 m ³ /d
Max daily flow	1,105 m ³ /d
Material	polyethylene (PE)
Watertightness	Passed
Crushing resistance	Passed
Treatment efficiency	COD: 95 % BOD7: 98 % SS: 98 % Total nitrogen: 50 % Total phosphorus: 96 %
Power consumption	0.9 kWh/d
Water temperature	14 °C

We hereby declare that the product is in conformity with the above mentioned directive and standard.

Fristad 2009-10-14
